Office Notice

Good News! In response to many requests for another online/electronic payment option, I have registered with **Zelle** which partners with most major banks. Many of you already use your bank's *Bill Pay* option which sends a paper check through the US Postal Service. I would encourage you to consider Zelle which facilitates a direct electronic funds transfer similar to paying with a credit card online—*but at no additional cost.*

My registered contact is a special email address: drpletter.zelle@gmail.com. Please note that this email address is not for any communication and is set up solely for this payment option.

Let me know if you have questions and check out www.zellepay.com to learn more.

Thank you,

Dr. Pletter
